

# Adult, Community and Family Learning Service

## Adult Learning Courses

### Digital Photography For Improvers

**COURSE DURATION:** 6 weeks (2 hours per week).

#### WHO IS THIS COURSE FOR?

This course is available to adults aged 19+. It is for beginners  
By the end of this course you will be able to:

- Explore experimental and creative techniques
- Produce, edit and present photographs
- Use traditional methods and newer Photoshop techniques to enhance presentation and creativity of photos
- Use the scanner as a camera and use a range of lighting techniques
- 

#### HOW WILL I LEARN?

Through practical activity  
Tutor demonstration  
Discussion with the whole group and tutor  
Individual work  
Creation of final product to be presented in a 2D or 3D

#### PROGRESSION OPPORTUNITIES

Learners who have completed this course may wish to continue to improver or advanced level courses within the subject. There are also many other topics available within our Adult and Community Learning brochure including Skill for Life opportunities in literacy and numeracy. Additionally other providers, clubs and organisations across the island offer a wide range of courses, including the potential progress to Further and Higher Education opportunities.

#### COURSE MATERIALS

Essential materials will be provided by your tutor but you will need to bring along your camera and cables and a USB stick if possible
